<b>Subject:</b>	ASOG 67 System Upgrade 60-Day Notification
<b>Date Effective:</b>	September 17, 2023

Effective September 17, 2023, Frontier will implement Version 67 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

During the release implementation, Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions from 8:00 p.m. Eastern Time on Friday, September 15, 2023, until 7:00 a.m. Eastern Time on Monday, September 18, 2023.

With the ASOG 66 System Upgrade, the following new fields will be supported:

Form	Field Name	Field Description	Field Purpose
EVC	EVC QTY	Ethernet Virtual Connection Quantity	Identifies the quantity of EVC circuits

CLEC/Carrier testing will be available to e-bonded customers in advance of the ASOG 67 System Upgrade implementation. CLEC Testing will be held August 21, 2023, through September 8, 2023. The timeframes will be 8:00 a.m. through 12:00 p.m. Central Time and 1:00 p.m. through 5:00 p.m. Central Time. To reserve a test window, please send an email with a copy of your test plan to [Frontier.ASR.Certification@ftr.com](mailto:Frontier.ASR.Certification@ftr.com) by August 18, 2023.

Frontier Access Custom Business Rules will be implemented with ASOG 67 and are available on the Access Reference Documents page of the Frontier Wholesale Operations Website at: <https://wholesale.frontier.com/Reference-Library/access-reference-documents>.
