| Date of Bulletin: | September 6, 2023 |
| Notice #: | CCBFTR02144B |
| Audience: | Carrier Customers Doing Business in California |
| Subject: | Hurricane Hilary Impacts Frontier Service Territory *Final |
| Date Effective: | September 6, 2023 |

Hurricane Hilary made landfall on Sunday, August 20, 2023 and produced heavy rain, high winds, and flash flooding across much of southern California, western Arizona, southern Nevada, and adjoining areas.

As of September 6, 2023, all California service areas have returned to standard intervals.
