Question	Answer
Since there is no CLEC impact with the February 2019 Local Release, does that also mean that there will not be testing available?	There will not be an open test window for the February 2019 Local Release since there are no LSR Business Rule changes or other planned changes that will impact the CLEC ordering processes. For other testing opportunities, please visit the Testing Information page of the Frontier Wholesale Operations website at: https://wholesale.frontier.com/wholesale/systems-and-online-tools/testing-information .
