

Carrier Customer Bulletin

Date of Notice: November 27, 2019
Notice #: CCBFTR01718
Audience: Carriers Receiving Billing Data Feeds with Northwest States Data
Subject: New Outgoing Billing Feeds for Northwest States Data
Effective Date: January 4, 2020

Frontier Communications will realign its data center for the northwest state activity in the first quarter of 2020. The realignment activity will affect Frontier outgoing data feeds for the northwest states including Idaho, Montana, Oregon and Washington. Incoming feeds to Frontier will not be impacted.

Effective January 4, 2020, carriers will begin receiving separate billing data feed files for the northwest states listed above.

Carriers receiving new northwest states billing data feed files may have a new file naming convention with 'OPP' included in the file name.

Existing billing data feed files received from Frontier containing data for all other states will retain the existing file naming convention.

If you have questions regarding the information provided in this notice, please email carrier.notifications@ftr.com.
