

## ***Carrier Customer Bulletin***

Date of Bulletin: December 10, 2019  
Notice #: CCBFTR01725  
Audience: Carrier, IXC, Wireless, CLEC, Reseller - Doing Business in ID, MT, OR, WA  
Subject: Northwest Four States Divestiture Carrier Forum  
Date Effective: 12/17/2019

---

As previously [announced](#) in anticipation of the Northwest Four State divestiture, Frontier will replicate its existing Operational Support Systems (OSS) for the northwest four states and manage within a separate data center. This notice is an invitation to Wholesale customers doing business in the northwest four states of Idaho, Montana, Oregon and Washington, to the Divestiture Forum hosted by the Frontier Communications Carrier Services team. The Divestiture Carrier Forum is intended to provide information specific to the OSS replication that will assist Carriers/CLECs to prepare for the upcoming divestiture.

Along with the audio conference bridge, Frontier will open an Adobe Connect Meeting to allow attendees to view presentation material. It is strongly recommended that you test your connection prior to the meeting date/time to avoid any delays.
