Change Request Tracking Updates

No new updates are available. Please visit the OSS Interface Change Management page of our website to view the latest Change Request Tracking at: <https://wholesale.frontier.com/wholesale/oss-interface-change-management>.

A recap of the open forum questions is provided below.

Question	Answer
Frontier has communicated the CLEC test window opens February 3, 2020, how long will it remain open?	The CLEC test window will be open for 4 weeks.
Will there be any extension to the standard 4-week testing availability to allow CLECs more time to code the new Northwest Four State business rules?	The CLEC 4-week test window period will not be extended. However, to allow CLECs additional time to code the new business rules for the Northwest Four States OSS, the CLEC test window opening date will be adjusted to begin on February 17, 2020. The CLEC test window will remain open 4 weeks, closing on March 13, 2020.
When will Frontier be distributing the new Northwest Four States OSS bonded customer connectivity information?	Frontier will begin distributing the new bonded customer connectivity information on Friday, January 17, 2020, to customers who have submitted the necessary forms for connection to the Northwest Four States OSS.
