A recap of the open forum questions is provided below.

Question	Answer
Since UNE Analog Loops are no longer available to order, what similar services available?	For information on available services, please contact your Frontier Account Manager. If you are unsure of who your Account Manager is, please email to inquire at: carrierrequest@ftr.com .
Should we expect a flash cut by Frontier to convert any existing UNE Analog Loops in August 2022?	There are no plans set at this time for that far in the future, however, all CLECs are encouraged to contact their Frontier Account Manager now to begin planning for conversion to new services to replace existing UNE Analog Loops.

If you have questions regarding the information provided in this notice, please send your emails to FTR-CMP-Team@ftr.com.
