

A 9-1-1 Advisory

PBX and Multi-line Telephone Service Owners

Will your PBX or Multi-line telephone system be able to direct emergency help to the right location? Frontier Communications of CA, in cooperation with the California Public Utilities Commission, would like to assure that you have fulfilled your responsibilities to your employees and your customers in regards to calling 9-1-1 and assuring that emergency responders will have accurate information, in order to send help to the right location. Remember, in an emergency, seconds can count! Please visit the following website, <http://www.calphoneinfo.ca.gov/Brochures.aspx> and select the PBX 911 Advisory Brochure for more information on your 9-1-1 responsibilities and obligations.
