LSR Order Address Validation

Effective with the February 17, 2013 Local Release, Address Validation is now available from the LSR transaction for VFO users which may allow you to eliminate steps in your current local order processing.

LSR Order Address Validation is available for any new or supplemented LSR that requires the end user address, directly from the End User form or Resale Private Line form. In this job aid, Frontier provides step-by-step instructions on the use of this new functionality in VFO.
