Notice #: CCBFTR01490  
Audience: Carrier, CLEC  
Subject: Tariff Modifications for Special Access Services  
Date Effective: March 7, 2018

---

Effective March 7, 2018, Frontier will modify its interstate access tariffs in accordance with the FCC's Report and Order its Business Data Services (BDS) proceedings. Specifically, beginning on that date, Frontier will increase non-recurring channel termination rates on all competitive interstate special access services in its interstate tariffs for FCC Tariffs 4, 5, 11, and 14. Rates under "price cap" will not be affected. Also, Frontier will add a new Price Band ("Price Band D") to FCC Tariff No. 14 in Texas that affects special access service rates for competitive CLLI "DFIATXXA".

Price changes for the affected rate elements may not be reflected on the first bill cycle after March 7, and future bills may include a true-up amount (credit or incremental charge, as appropriate) back to March 7, 2018. The true-up will appear in the OC&C section of the bill with a description of "BDS ACCESSREFORM".

Frontier may modify or cancel the information in this Carrier Customer Bulletin. If Frontier does so, carriers will be notified via a subsequent Bulletin. Frontier shall incur no liability as a result of such modification or cancellation.
