GENERAL REGULATIONS

All services subject to this Tariff are no longer available for purchase by new customers, other than for Lifeline-eligible customers, in any location in this state where such services are provided wholly or in part over copper facilities. (N)
(N)

1. APPLICATION OF REGULATIONS

- .1 The regulations set forth herein apply to intrastate services and facilities furnished within the State of Indiana by the Verizon North Inc. and Contel of the South, Inc. d/b/a Verizon North Systems, hereinafter referred to as the Company, subject to the jurisdiction of the Indiana Utility Regulatory Commission, hereinafter referred to as the Commission.
- .2 When services and facilities are provided in part by other companies, these regulations apply only to that portion the Company provides.
- .3 The Company does not transmit messages, but offers the use of its facilities, where available, for communication between parties subject to the terms and conditions and at the rates specified throughout this Tariff.

2. ESTABLISHMENT AND FURNISHING OF SERVICES

.1 APPLICATIONS

- .1.1 Applications for initial or additional services may be made verbally or in writing. Such applications become contracts upon acceptance by the Company. See also Paragraph 2.4.2 following for customer responsibility when an application may be cancelled prior to establishment of service.
- .1.2 The Company may refuse service to any applicant who is indebted to the Company for service previously rendered until satisfactory arrangements have been made for payment of such indebtedness.
- .1.3 Any change in rates or regulations prescribed by the Commission modifies the terms and conditions of contracts to the extent of such change.
