

Date of Bulletin:	September 1, 2023
Notice #:	CCBFTR02148
Audience:	CLEC, Reseller, ISP
Subject:	Obtaining Static IP Address for Wholesale Advantage Broadband Service
Date Effective:	Immediately

We have recently updated our [Static IP Address Job Aid](#) to provide direction on when and how our customers may obtain the Static IP address assignments for Wholesale Advantage Broadband services.

Specifically, Static IP address assignments are available on the due date (FOC) of the broadband order. Contact Local.Broadband@ftr.com to get IP Address assignment information.

For this and other helpful Broadband job aids, please visit our website at: <https://wholesale.frontier.com/Reference-Library/Broadband>.

If you have questions regarding the information provided in this notice, please email Carrier.Notifications@ftr.com.
