

Date of Bulletin:	May 22, 2024
Notice #:	CCBFTR02221
Audience:	CLEC, Reseller, ISP
Subject:	Wholesale Advantage Broadband (“WABB”) Service Changes
Date Effective:	July 1, 2024

Frontier hereby provides notice of changes to the terms, including pricing and availability, of your WABB Service.

First of all, the changes are mainly, but not exclusively, to the terms for orders for new Asymmetrical (copper-based) WABB Service. Those changes for orders for new Asymmetrical (copper-based) WABB Service include, among others, the following modifications: (i) adding the option of a three (3) year Service Term; (ii) waiving the Activation Fee when you order Asymmetrical (copper-based) WABB Service for a one (1), two (2) or three (3) year Service Term; (iii) introducing a flat rate early termination charge of \$100.00; and (iv) increasing pricing.

Customers that currently have a WABB Service Schedule will receive a mailing describing, in greater detail, the changes referenced in this Bulletin, which are effected in the revised version of such Service Schedule.

If you have questions regarding the information provided in this notice, please contact your Frontier Account Manager or Contract.Management@ftr.com.
