### B. BUSINESS RATES APPLY AT THE FOLLOWING LOCATIONS:

- In offices, stores, factories, mines, and all other places of a strictly business nature.
- In boarding houses, college fraternities or sorority houses, offices of hotels, halls, and offices of apartment buildings, quarters occupied by clubs or lodges, schools or colleges, hospitals, libraries, churches, and other similar institutions.
- At residence locations when the customer has no regular business telephone and the use of the service either by himself, members of his household or his guests, or parties calling him can be considered of a business nature, which fact might be indicated by advertising matter, such as on vehicles, etc., or when such business use is not such as commonly arises and passes over to a residence telephone during the intervals when, in compliance with the law or established custom, business places are ordinarily closed.
- At residence locations when an extension station or extension bell is located in a shop, office, or other place of business.
- In any location where the listing of service at that location indicates a business, trade or profession.
