Revised Date: 10/13/2021

## Overview

The purpose of the job aid is to assist with the population of the Level of Service (LOS) and the Service and Product Enhancement Code (SPEC) fields on the Access Service Request (ASR) for circuits converting from grandfathered Frontier Switched Ethernet Products to the Frontier E-Path product. This job aid was developed specifically for AT&T Communications and should not be shared with or used by any other company.
