

Date of Bulletin:	June 10, 2024
Notice #:	CCBFTR02228
Audience:	CLEC
Subject:	Updated Form for Section 251 Initial Regulated Collocation Service Requests
Date Effective:	Immediately

Effective immediately, Frontier has updated the application form for Section 251 Initial Regulated Collocation Services. The new version of the document includes additional questions to help determine whether the services being requested are for regulated collocation or edge collocation services.

Customers should delete any previous versions of the form and start using the new form immediately to avoid confusion and expedite the application review process.

The updated form can be accessed on the Wholesale Resources page under the [Regulated Collocation Applications](#) section.

If you have questions regarding the information provided in this notice, please email Carrier.Notifications@ftr.com.
