Wire Center	Address	CLLI
Snowville, UT	28481 W 25600 N Snowville, UT 84336	SNVLUTXCRS1

On or after August 29, 2025, the Snowville, UT DCO remote switch will be retired and removed from the Frontier network, as part of ongoing efforts to modernize the network.

The Exchange Codes (NXX) 872 in Numbering Plan Area (NPA) 435 currently residing in the Snowville, UT DCO remote switch (see list in Table B below) will be moved to the DELTUTXCPS0 PEO virtual switch (see details in Table A below).

The native NPA NXX belonging to the Snowville, UT DCO remote end office will be rehomed upon decommissioning of the remote equipment and reflected in the Local Exchange Routing Guide (LERG) for the Delta, UT PEO switch. This will occur on or after August 29, 2025.

Network Changes and Trunk Rearrangements:

The Delta, UT PEO switch will be the recipient office of traffic migrated from the Snowville, UT DCO remote switch. Traffic bound for the codes listed in Table B will be delivered via the Provo, UT Tandem (PROVUTMA1GT Intra-Lata SHA/ PROVUTMA1GT Inter-Lata FG Access SHA).

After all traffic is migrated off the Snowville, UT DCO remote, it will be retired and removed from the network.

Description of Reasonably Foreseeable Impact of the Planned Changes (cont.):

CLECs, IXCs, IECs, wireless carriers and paging carriers will need to secure new trunk groups built to the Provo, UT Tandem or have existing trunk groups to that switch augmented. Carriers that have direct end office trunks (DEOT) with access connectivity in the Snowville, UT DCO remote switch will be required to reposition the codes to the Provo, UT Tandem switch.

All ASRs (Access Service Requests) for the Provo, UT Tandem switch must be received no later than July 31, 2025, to provide sufficient time to migrate the traffic described above. All traffic must be moved by August 29, 2025. All ASRs for the Provo, UT Tandem switch must carry the project code of SNVLUTXCRS1.

Please adhere to industry standards using normal procedures that pertain to updates and changes to the LERG for all NXXs subject to the retirement of the Snowville, UT DCO remote.
