<b>Implementation Date:</b>	September 15, 2025

### **Description of Network Changes Planned:**

**Frontier Southwest, Inc. ("Frontier")** announces that it intends to retire copper facilities at the wire centers listed below:

<b>Wire Center</b>	<b>Address</b>	<b>CLLI</b>
Menard, TX	220 Bevans Street, Menard, TX 76859	MNRDTXXA

This notice will have no effect of any customers because there are no working circuits on the copper facilities. Frontier will assess any future service requests at any of these service locations.

### **Description of Reasonably Foreseeable Impact of the Planned Changes:**

After implementation of the planned changes, no copper facilities will be available at these locations. As stated above, Frontier's records indicate there are no working circuits, including competitive carrier circuits, at these locations. Consequently, no competitive providers will be affected by this retirement.

### **See [attachment](#) below for the full list of impacted addresses:**

The addresses identified in the attachment below are currently assigned in Frontier's records as serviceable with these facilities, but, as stated above, there are no working circuits at these locations.
