CENTRANET CALIFORNIA (CTF Acquired 2016)

Basic Product Ordering

TOS: 1EFN, 1EF- (Flat)

LINE: One station line S&E code for each TNS is required

FEATURES and PACKAGES

Inherent features

- > Centranet is provisioned as a Dial "9" service. In California, Assume Dial 9 may be provisioned on request. Order one CXAD9 chargeable item S&E to the
- > All Centrenet service includes inherent basic features. An S&E code is not applicable and is not returned on a CSR.
 - Note:** inherent features are part of the 1000 Feature Package.
- > Call transfer is restricted within the customer group
 - CX231 indicates a retired method of indicating unrestricted call transfer. CX231 is no longer supported.
 - To allow unrestricted call transfer state in LSR Remarks: ADD- Call Transfer UNRESTRICTED
 - Unrestricted call transfer may result in toll charges
- > Three way calling is restricted within the customer group
 - CX231 indicates a retired method of indicating unrestricted 3 Way calling. CX231 is no longer supported.
 - To allow unrestricted 3-way calling state in LSR Remarks: ADD- 3 Way Calling UNRESTRICTED
 - Unrestricted 3 way calling may result in toll charges

Choose a package level

- > One Feature Package S&E Code for each TNS is required
 - The feature package level is determined by the highest package category.
 - The same package is ordered for the entire group (ex.2000 on all lines)
 - **Example:** if a feature is in the 2000 feature package category, then the package level on all TNs within the Centranet group is 2000.

Selectable Features

- > Individual features may be ordered using the unique ordering S&E code. This type of selectable feature is returned on a CSR.
- > Complete the FEATUREDETAIL section, when necessary

Hunting

- > Hunting is derived from the HGI form.
 - A hunting S&E code is allowed, but not required in a feature field. A hunting S&E code is returned on a CSR.

CENTRANET OPTIONAL FEATURES

- > Optional feature may be a chargeable item
- > One S&E code for each feature

VOICE MESSAGING OPTIONS

- > One S&E code for voice mail, per line
- > Extention/Expanded capacity options are in addition to the mailbox
