Type of Service: Centranet   **TOS: 1EFN, 1EF-**

Tarriff: AZF   See Exchange and Access Line Matrix for Tariff Codes at:
                                                        https://wholesale.frontier.com/local-services/voice-une-services

LINE: One station line S&E code for each TNS is required
>Arizona tariff requires a 2 line minimum for a Centranet Resale business group
>Accounts that fall below the 2 line minium due to line disconnection are regraded into business POTS lines.
>Term rate options are 3 or 5 years

NARs:
>The Network Access Register provides a talking path outside the Centrex business group.
>Centranet in Arizona provides a one-to-one ratio of Centrex phone lines with talking paths outside the business group
>A NARS S&E code is not required on the LSR, nor will a NARS code be returned on a CSR

FEATURES and PACKAGES
Inherent features
> A Centranet Business Group has inherent features built into its structure. These features are included in Feature Package 1000.
> An S&E code is not applicable for Basic features, nor is an S&E code returned on a CSR.
> To remove an inherent Basic Feature add direction to remove it in the LSR Remarks.
> Centranet is provisioned as a Dial "9" service.

Choose a package level
> One Feature Package S&E Code for each TNS is required
  - The Feature Package level code is returned on a CSR.
  - The feature package level is determined by the highest package category.
  - The same package is ordered for the entire group (ex.2000 on all lines)
  - *Example*: if a feature is in the 2000 feature package category, then the package level on all TNs within the Centranet group is 2000.

Selectable Features
> Individual features may be ordered using the unique ordering S&E code. This type of selectable feature is returned on a CSR.
> Complete the FEATUREDETAIL section, when necessary

Hunting
> Hunting is derived from the HGI form.
  -A hunting S&E code is allowed, but not required in a feature field. A hunting S&E code is returned on a CSR.

CENTRANET OPTIONAL FEATURES
> Optional feature may be a chargeable item
> One S&E code for each feature

CLASS FEATURE PACKAGE
> Features include Call Block, VIP Alert, Special Call Forwarding, Special Call Acceptance.
> All features are activated
> Feature package is a chargable item.

VOICE MESSAGING OPTIONS
> One S&E code for voice mail, per line
> Extention/Expanded capacity options are in addition to the mailbox
