

Date of Bulletin:	March 23, 2023
Notice #:	CCBFTR02111
Audience:	Verizon Business Only
Subject:	Revised Ethernet Tier Building Location Lists
Date Effective:	March 27, 2023

We are providing advanced notification of revisions to the Verizon Business Ethernet Tier Building Location Lists effective March 27, 2023.

Notable revisions include:

1. 46% increase in Tier 001 addresses
2. Due to increased file size, three files are provided as follows:
 - a. Ethernet Tier Building Location List for California and Texas
 - b. Ethernet Tier Building Location List for Connecticut and Florida
 - c. Ethernet Tier Building Location List for Other States

Verizon Business Building Location Lists are available online at:
