Frontier service restoration efforts continue in areas affected by the Blue Cut Fire. This is the current status for the Lytle Creek, Hesperia and Wrightwood areas.

Effective September 4, 2016, Frontier has completed restorations in the Lytle Creek area.

A new completion target date of September 8, 2016 has been confirmed for service restoration to the Hesperia area.

At this time, the completion date for the Wrightwood area has been delayed. We continue to work diligently and as the situations allow. Frontier will provide further updates as they become available.
